

I joined Nexus as an Executive Assurance Partner in January 2024. Prior to this I was an Executive Headteacher of 3 primary schools in Rotherham.

My responsibilities within the Trust are linked to Quality Assurance and School Improvement. I focus on all areas of school improvement but I particularly support schools with curriculum development and assessment. I also tutor Teaching Assistants as part of the Apprenticeship programme.

I have been part of various governance structures as a teacher and a Headteacher but also as a parent governor. I feel privileged to be the Chair of the Academy Council at North Ridge Community School.

Rebecca Allard,
Chair of Governors
